### Our HSK High Achievers in 2017

Every year, St. Mark's International School holds an HSK (Hànyǔ Shuǐpíng Kǎoshì) examination, China's only standardised test of Standard Chinese language proficiency for non-native speakers. Overall our students maintained excellent scores this school year. Almost all of our students achieved over 80% at all levels and fully one-third attained better than 90%. Congratulations for keeping up the great performance!
